

History of the Mildred Edna Nelson Scholarship

Mildred Edna Nelson (1924 - 2004)

- Joined EAC in 1965
- She was an active member for many years until she changed her active status to affiliate due to her loss of hearing and advancing age. She kept in touch with the Club and enjoyed receiving the newsletter, right up to her passing at the age of 80.
- Mildred left one-sixth of her estate to the EAC. It is thought that she might have been influenced by reading the receipt of the Card/Alling endowment in May of 1998.
- Since the will governing the Card/Alling scholarship specified the medium of pursuit as watercolour, the EAC stipulated that the Mildred Nelson scholarship should be for the pursuit in any medium other than watercolour.
