INFORMATION AND GUIDELINES

Edmonton Art Club Show Information³

Eligibility for Edmonton Art Club shows requires five attendances and five pieces of recent and original artwork submitted at the monthly meetings for critique during the twelve months prior to each show. You are allowed to bring only one piece of artwork per meeting for critique. A list of eligible members will be provided by the secretary prior to the club's shows. Honorary members are exempt from attendance and critique requirements. Disabled members are exempt from attendance, however, must meet critique requirements. To be eligible for any show, members must pay their fees in full. Membership dues are payable yearly in January. In accordance with the EAC policies under Members (1.d.c.), "Members who have not paid their fees by March 31 are ineligible to participate in EAC exhibitions." When required, a pre-determined, non-refundable hanging fee is payable upon submission of works to be shown. When the EAC exhibits at a commercial gallery, purchases are made through the gallery, which then pays the artist after deducting their commission. The club does not charge a commission on work sold in a commercial gallery. When required, the EAC may charge a predetermined commission on works sold at venues other than commercial galleries.

Artwork submitted for exhibit must adhere to the following criteria:

- All work must be original by the submitting artist.
- Expect to volunteer at the venue
- Framing to be in good condition. No scratches, or dents. If behind glass, no scratches or scrapes.
- Back of artwork affixed with wire hanging. No sawtooth, or hooks.
- Works of art may be offered for sale, but this is not a requirement.
- Each artwork must have a label on the backside with: The title, size, art medium, name of the artist & contact information.
